

Brooklyn Sports Club

Installation
2006

Location
Starrett City - Spring Creek
Brooklyn, NY

Materials
Strongcote SC-111
Pedestrian Grade Coating

Strongcrete SW-81
Repair Mortar

Contractor
Lime Contracting
Jersey City, NJ

BSC is the first building tenants and guests see when entering Spring Creek community. The entrance steps and rear plaza steps were rust stained and cracked. With proper crack treatment and grinding, SW-81 addressed the spalls and the exposed surface was coated with SC-111.
