HOK  
211 North Broadway #700  
St. Louis, MO 63102

### Sales Representative

Tom Suter, President  
Shield Systems, Inc.  
5205 Bischoff Avenue  
St. Louis, MO 63110  
Office: 314-865-5550

To provide added protection to the concrete on the entry level of this multi-level garage it was decided to treat the 30,000 SF area with the Strongcote SC-113 Heavy Duty Vehicular traffic membrane system. Just before the garage was opened to daily traffic the deck was thoroughly power washed and received two simultaneous applications of SC #3 coating that resulted in a 90 mil wearing coarse resistant to abrasion and abuses common with heavy vehicular traffic.
