

## New York City School Construction Authority: P.S. 204

### Installation

2009

### Location

8101 15th Avenue  
Brooklyn, NY 11228

### Materials

Strongcrete SW-82  
Vertical Repair Mortar  
SWS 213 Court Wall System  
Resicolor #4

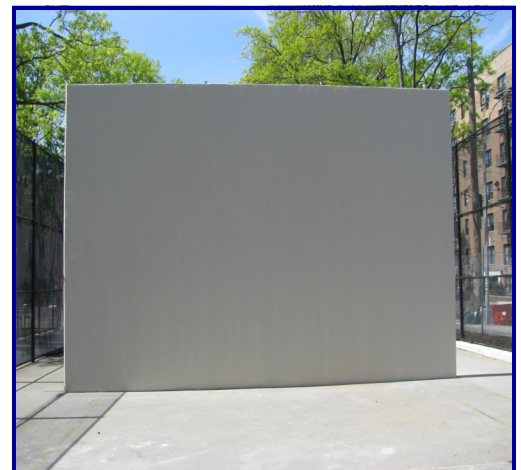

### Contractor

Nehal Contracting, Inc.  
81 Tennyson Drive  
Nanuet, NY 10954

### Architect/Engineer

New York School Construction  
Authority  
30-30 Thompson Avenue  
Long Island City, NY 11101

This is one example of the many school playgrounds that have handball courts on the property. In this case, the NYCSCA follows the New York City Parks Department specifications for the repair and resurfacing of handball court walls within parks throughout the city. The specification calls for the Strongcrete SW-82 Mortar to repair the wall, then utilizes SWS-213 Court Wall System.
